RE: Call for Entries: 2011 Mailorder Gardening Association Green Thumb Awards™

We invite you to enter your new products in the Mailorder Gardening Association's Green Thumb Awards™ program, which was created by the Mailorder Gardening Association (MGA) to recognize outstanding garden products available by mail and via websites.

After an initial review by MGA Green Thumb Awards committee members to verify eligibility, entries will be forwarded to a panel of garden writers and editors for judging. Up to 10 MGA Green Thumb Award winners will be chosen for 2011.

All award-winning products will be featured in MGA news releases distributed by Schultz Communications. Recipients may also publicize their awards and are authorized to use the "MGA Green Thumb Award" designation and logo in their ads, catalogs and news releases.

2011 MGA Green Thumb Awards

Official Rules and Entry Criteria

1. Only products sold directly to the public by MGA member catalogs and websites are eligible.
2. Eligible products must be new for 2011 or must have been introduced after July 1, 2010. Entrants must certify that their entries were (or will be) first available for sale to the public after July 1, 2010. 3. Each entry must be submitted into one of two divisions: "Seeds, Bulbs and Plants" or "Gardening Tools, Accessories and Aids." All entries will be evaluated by an independent panel of judges on each entry's uniqueness, technological advances and innovation, ability to solve a problem or provide a gardening opportunity, and overall appeal to gardeners.
4. Each dues-paying MGA-member company may submit up to three (3) product entries. Regular Members may submit products that have been (or will be) first introduced in their catalogs and/or on their websites after July 1, 2010.
